The registered association „Soziales Netzwerk Schiltach/Schenkenzell e.V. (SoNe e.V.) emerged from the Network Flüchtlingshilfe (Aid for refugees). We help refugees to successfully integrate in the local community.

We arrange for volunteer companions, organize and finance courses in German language and afterschool tutoring, assist in finding traineeships and jobs, forward donations and a lot more.

To promote equal educational opportunities and cultural participation, in particular cases we support children from low-income families financially - no matter what their origin or religion.
